description:

Imagine, you want to move to the South of Spain. You are looking for the authentic Spain, where you will have to use the Spanish language to order a loaf of bread or a cup of coffee on the terrace. You love nature and the sea, but mass tourism is not your thing. Then this could be your dream home.

This charming villa with swimming pool stands on a large plot in the campo, near the historic town of Lorca. When we drive onto the plot, we notice the wide avenue, surrounded by tall trees that provide the necessary shade. Indispensable during the hot Spanish summers. Furthermore, we find various fruit trees on the property where you can enjoy. When we drive on, we arrive at the villa. We see a beautiful veranda with next to it a barbecue area under a beautiful big tree. Can you imagine sitting here during a warm Spanish summer evening, together with your friends enjoying a delicious meal while the sun slowly sets? And if you feel like a fresh dive, just walk to the fenced and partly covered terrace where your private pool is quietly waiting for you. This really is the Spanish way of life.

Inside the house you will find a living room with wood burning stove, a fully fitted kitchen, three bedrooms and three bathrooms. The large windows let in a lot of natural light and overlook your garden and pool. The air conditioning ensures that you will have a pleasant temperature in the house in both summer and winter.

Are you looking for a charming Spanish home on a quiet but easily accessible location, then you don't need to look any further. Because wherever you want to go during the day, whatever city or beach you want to visit, this property will always be a very pleasant homecoming.
